

The Choice of Healthier Happier Pets

Dear Pet Lover,

Thank you for your interest in Critter Sitters, Inc.!

We're Southeastern Wisconsin's pet sitting professionals since 1986. We help you take care of your pet when you can't be there by allowing your "best friends" to stay in the comfort of their own home. No trips to the kennel or day care, no nosy neighbors... and best of all, no worries!

Whether you're off sunning yourself on an exotic beach or on another hectic business trip, your time away is more trouble free because your home is safe; the mail picked up, the plants watered, the drapes adjusted... and your pets are nestled in their favorite spot -- enjoying a visit from their personal Critter Sitters Pet Care Provider.

I started Critter Sitters more than 20 years ago as an alternative to boarding. Today, we've grown into the most reliable service of its kind serving Milwaukee's Downtown, East Side, North Shore, Mequon and eastern Waukesha County.

Each of my Pet Care Providers has many years of pet care experience. They receive on-going health care guidelines provided by veterinarians and are informed on pet first-aid, behavioral issues, elderly pet needs and supportive care, as well as medication administration. Our staff is even certified in pet First Aid and CPR.

We carry full liability insurance and each of our Pet Care Providers is bonded and comes to you with reliable references, for your home's security and your pet's health and happiness. At your "get acquainted" meeting, you and your Sitter get to know each other and prepare for your trip by discussing your pet's and home's unique and confidential needs. Critter Sitters will then make scheduled visits until we get a call confirming your arrival home.

We know that you'll find that your pet will be healthier and happier by staying in the comfort of their own home. Give us a call and schedule an interview today... it's what your pet would choose! ☺

All my best,
